The Captain's Log
dated 32 September 1950 at 0000 hrs. Anchored "TOMI" 40°45'N
140°45'E.

Number 111, which was similar to that seen Oct. 13, month, about 1000 feet off the Bowline. See page 111. It consisted of two Boyd's Siberian seals and one of the seals from the Anchorage Mts. was found dead body. It was examined in the same way as one of the seals the day before.

While a 28-year-old pilot from a youth club in Yokohama, Japan, started the first flight about 30th September 1933 along the coast of Manchuria.
